

WoundCare

Solution for external use

COMPOSITION:

Natural components:

- Neem oil
- Citronella oil
- Nutmeg oil
- Tea tree oil
- Clove oil
- Sesame oil
- Olive oil
- Garlic oil

Preservatives and solvents:

- Isopropyl alcohol
- Purified water

WoundCare is 100% natural product intended to all animals. Thanks to its essential oils and extracts of selected plants content, WoundCare acts against bacteria viruses, fungi and flea larvae. It is non-toxic. Natural WoundCare with no added chemicals (such as antibiotics, corticosteroids) is safe to use during pregnancy, lactation, in young animals, even those in poor condition.

USE:

WoundCare is intended for the treatment of skin diseases, cuts or infectious wounds. The product is also effective in treating burns.

TARGET SPECIES: All kind of animals

DOSAGE:

Follow the instruction: when the wound is bleeding, first stop the bleeding, than thoroughly cleanse it. Shake well before use. Spray 2-3 times a day until wound healing is completed. Do not use more than two weeks. If the wound does not heal in that period, refer to your veterinarian.

You can use NoBite product to prevent biting and licking the treated area.

CONTRAINDICATIONS: None described

ADVERSE REACTION: None

WITHDRAWAL PERIOD: None

SPECIAL PRECAUTIONS: Store protected from humidity and light, on a temperature up to 25°C. Keep away from children. Keep in closed containers.

WAY OF ISSUE: Without a prescription

PRESENTATIONS: 100 ml

ANIMAL CONTROL FACILITY NUMBER: α RS 31-029
