

# CrystalEyes Gel

Gel for external use

## COMPOSITION:

Natural components:

- Tea tree oil

Vegetable oils:

- Coconut oil
- Olive oil

Preservatives and solvents:

- Purified water

## USE:

For cleaning and care of the skin and hair in the area of the eye that is damaged and altered. Changes are most commonly caused by inflammation of the eyelashes and eyelids, allergic conditions, etc.

**DOSAGE:** Push a few drops of gel into the wad and apply it to the scalp, taking care that the product does not enter the eye. Massage briefly and let the gel begin to work. Repeat the procedure 3-5 times a day for 5-7 days, after which it should be healed.

If after 7 days there is no visual improvement, consult a veterinarian.
